

Target Fabrication Quality Policy

Target Fabrication is committed to providing laser microtarget development and fabrication to the highest cost effective standards, and meeting or exceeding customer requirements.

To help achieve these goals the company uses a Quality Management System which meets the requirements of ISO 9001:2015

Target Fabrication is also committed to continuously improving company performance and customer satisfaction.

Compliance and improvement is monitored by the regular use of metrics, internal audits and maintained by the timely implementation of corrective actions and risk mitigation.

Meeting our quality standards involves all members of staff.

Target Fabrication is committed to enhancing the abilities of all staff to support the effective operation of the Quality System and the achievement of Quality Objectives.

A handwritten signature in black ink, appearing to read 'M. Tolley'.

Martin Tolley

Target Fabrication Manager
